

*Providing comfort and relieving stress for individuals and families
in the Kittitas Valley living with cancer*

Our Values

1. We believe in connecting with families facing cancer and providing blessings with thought and intention
2. We believe every Kittitas County family facing a cancer diagnosis deserves our love, respect and support
3. We believe building community and connection are the foundation of our work
4. We believe in the power of partnering with our community members and businesses to support our friends and neighbors facing cancer
